FORWARD - A

Dear Mr. Williams,

Thank you for the January 2012 \$891.35 contribution from Endow-Bio, Inc., paid by check number 2012, to Bat Conservation International (BCI) for White-nose Syndrome program support. We look forward to reporting on our 2012 accomplishments and how we leveraged your gift to secure additional funds for the conservation of bats.

Donations such as yours are crucial to the success of our work on behalf of bats and their ecosystems. BCI is committed to teaching the importance of bats through education, preserving critical bat habitats and encouraging others to join in our conservation efforts, and to advancing scientific knowledge about bats and the ecosystems that rely on them through research that documents their value. By safeguarding the future of bats and their habitats, we will help ensure the preservation of our planet's biodiversity, creating a healthier environment for both wildlife and people.

BCI has been protecting bats and their habitats for nearly 30 years. Thanks to the generosity of donors like you, we have been able to expand programs to meet new challenges as they arise. Your support is truly appreciated.

The requisite language for tax purposes appears at the bottom of this letter. Please let me know if there is anything else I can provide.

Best wishes for 2012 from all of us at BCI.

Sincerely,

Amy Price
